

Ottawa National Wildlife Refuge Upgrades: \$2 million from FWS National Wildlife Refuges Land Acquisition-

To acquire land at the only federal wildlife refuge in Ohio that serves as a resting location for birds using both the Mississippi and Atlantic flyways during their seasonal migration to and from Canada. As referenced in Public Law 108-23, the Ottawa National Wildlife Refuge Complex Expansion and Detroit River International Wildlife Refuge Expansion Act, Congress has authorized the continued development of this strategic refuge.

The entity to receive funding for this project is: Ottawa Wildlife Refuge, 14000 West State Route 2, Oak Harbor, OH 43449.
